Welcome to Open Door Church (ODC) of Clearwater, Florida — where we are *small*, *simple* and ***significant***.

You have located our Legacy Ministry library where we gladly share our best efforts to spread God's Word through the teachings of Jesus Christ and Holy Scripture.

ODC is a non-denominational Christian church that focuses on spiritual development and fellowship. We conduct regular Sunday services and Bible study sessions. We are dedicated to developing and sharing any materials that will provide spiritual enlightenment and comfort to our viewers.
